Dear Sir:

In the Office Action dated June 3, 2004, it was noted that the previous "Sequence Listing" in computer readable form and in paper copy did not comply with the requirements of 37 CFR 1.821 through 1.825. Submitted herewith for filing in connection with the above-referenced patent application is a substitute, computer readable copy and substitute paper copy of the Sequence Listing that corrects the defects noted in the raw sequence listing and the Office Action.

I hereby state that I have reviewed the paper copy of the substitute Sequence Listing contained on pages 1 to 2 of said Sequence Listing, as required by 37 CFR 1.821(c), and have reviewed the substitute computer readable form of the Sequence Listing, as required by 37 CFR 1.821(e), and that the content of the paper and computer readable copies for the above-referenced patent application are the same as required by 37 CFR 1.821(f).

The submission of the substitute Sequence Listing filed concurrently herewith does not include new matter.

Applicant believes no fee is due with this statement. However, if a fee is due, please charge our Deposit Account No. 12-0080, under Order No. CCI-005USRCE from which the undersigned is authorized to draw.

Dated: September 3, 2004

Respectfully submitted,

By
